- When communicating via radio during a CERT operation, we will use plain language, ***NO CODES!!!***
- All persons will use their own NAME as their callsign on FRS frequencies.
- Hams will use their FCC issued Callsign on all Ham frequencies in accordance with FCC Rules part 97.
- Tactical call-signs may be used for specific locations on both FRS and Ham Frequencies as needed. Such as Net Control, EOC, Med Ops, etc.
- Remember that any transmission via radio can be heard by anyone. Do not transmit sensitive messages via radio.
- See wallet card below.
